

# EARNING CE CREDIT

---

## **COURSE TITLE**

Cultural Humility 101 for the SLP

## **COURSE DESCRIPTION**

Cultural humility (CH) and Diversity, Equity, and Inclusion (DEI) are important components of providing ethical patient care. Participants will learn key concepts related to CH and DEI, and will receive resources to support their CH journey. After the course, participants will be able to apply these crucial concepts into delivering culturally responsive patient care.

This webinar satisfies ASHA's DEI requirements.

## **LEARNER OUTCOMES**

As a result of this course, participants will be able to:

- Define and differentiate cultural humility, cultural sensitivity, and the ABC's of cultural humility
- List 2 clinical applications of cultural humility to incorporate in patient care
- Identify 2 resources to support their path to cultural humility

## **COURSE COMPLETION REQUIREMENTS**

In order to receive a certificate of completion, and to have their participation reported for ASHA CEUs, learners must do the following.

- Watch 100% of video lessons. Completion is tracked and verified by this website.
- Earn a score of  $\geq 80\%$  on a brief, open-book, multiple-choice test following each of the 4 lessons.
- If needed, learners may re-take the test in order to achieve a passing score.
- Complete and submit the course feedback survey.
- Submit the Reporting Information form and indicate whether you would like your participation reported to ASHA.
  - Note: if you tell us you don't want ASHA CE reporting and later change your mind, we can't retroactively apply it.
