

EARNING CE CREDIT

Course Title

Neuroanatomy and Cranial Nerves for the SLP

Course Description

Understanding neuroanatomy and the cranial nerves is essential for the Medical SLP. In this course, a neurologist differentiates upper motor neurons vs. lower motor neurons (UMN vs LMN), explains the functions of the cranial nerves, and instructs the learner how to perform a thorough cranial nerve examination

Learner Outcomes

As a result of this course, participants will be able to:

- Describe the difference between upper and lower motor neurons
- Distinguish an upper vs lower motor neuron (cranial nerve) lesion based on clinical findings
- Complete and interpret a cranial nerve examination

Agenda

- Intro; Clinical importance of understanding neuroanatomy 10 min.
- Neuroanatomy; Upper vs Lower Motor Neurons (UMN vs LMN) 20 min.
- Cranial nerve exam 15 min.
- Q&A; Learning assessment; Conclude 15 min.

ASHA CEUs

This course is registered for 0.1 ASHA CEUs. Partial credit is not offered.

Course Completion Requirements: *In order to receive a certificate of completion, learners must do the following. Failure to complete all of these requirements will result in not receiving a certificate of completion or having participation reported to ASHA for CEUs:*

- Watch 100% of video lessons.
- Earn a score of $\geq 80\%$ on the open-book, multiple-choice learning assessment. If needed, learners may retake the test in order to achieve a passing score.
- Complete and submit the course feedback survey.
- Submit the Reporting Information form and indicate whether you would like your participation reported to ASHA. Note: if you tell us you *don't* want ASHA CE reporting and later change your mind, we can't retroactively apply it.

Instructor Bio

Charles Lavigne, MD currently practices as a Neurohospitalist at UNC Rex Hospital. Dr. Lavigne completed his training in neurology at Harvard at the Mass General and Brigham program. He completed a fellowship in headache medicine.

Instructor disclosures

- *Financial:* Employee of UNC Rex Hospital; receives an honorarium for this course
- *Non-Financial:* None
